

## KirkbyTennis Club

2020 was a successful year for tennis in Kirkby. There were no Duddon League matches due to Covid 19 restrictions, however, as tennis is a socially distanced activity people were able to play safely once lockdown restrictions eased.

Many people were working from home and social tennis became a regular feature on Thursday evenings. Gary Weatherburn ran courses for adults and primary aged children.

We look forward to surprising other teams in the league after the coaching last year. Further courses for adults and children are planned for the coming season. There is now a new committee and we wish them well for the future.

## Community Centre

Our three year project is now complete and we are hoping to have a Grand Opening Ceremony on Gala Day, Saturday 26th June at 13:30, COVID 19 restrictions permitting.

The support from the Parish Council has been invaluable by directing the committee to many sources of funding including those from SLDC.

The CGP Trust Fund has generously provided grants in excess of £10,000 towards the project including recently, those for the repairs to the children's playground and the bicycle pump track which is currently being constructed.

Thanks are due to the chairman who has given ongoing support and advice throughout the life cycle of the project.

The building and its surrounds are an asset to the village and will be used for many years to come.
