### NEWSLETTER APRIL 2019

Volume 7 Number 3

### A595 GRIZEBECK

A number of parishioners attended the March Council meeting to air their views about the proposed route chosen by Cumbria County Council. The Council agreed with their concerns over the lack of information and consultation coming from the project managers. The Parish Council has made strong representations to the authority regarding this matter and hope that the situation will improve so that all of the community's concerns are listened to and acted upon.

The Parish Council will attempt to keep everyone up to date with the latest news which will be posted on the Kirkby web site: [www.kirkby-in-furness.org](http://www.kirkby-in-furness.org)

### HOUSING DEVELOPMENT

If you would like information on the any of the houses, when available, please forward your name, email address and telephone number to [tracy.burgess@lancet-homes.co.uk](mailto:tracy.burgess@lancet-homes.co.uk) and your details will be added to the data-base.

He will undertake jobs and projects decided upon by the Council but if you know of any such areas that need attention please contact any Councillor who will pass it on to the group who are organising the scheme.

### LAKE DISTRICT NATIONAL PARK

The Council is being asked to consider that some, or all, of the Parish comes within the boundaries of the Park. At the present time part of the Parish is in that area but there is a movement

from other local authorities to extend the boundaries. As a result various consultations will be taking place in the near future with drop in events staffed by Councillors and Park officers to gauge the feelings of local people. Further details will be given when these have been organised.

### PLANNING

One planning application was discussed:  
SL/2019/0210 Land adjacent to the Knoll, School Road –  
erection of a two storey detached dwelling.

### OTHER MATTERS

- Concerns over speeding are to be raised with the relevant authorities.

**Last week I told my manager at work that I'm 3 months pregnant. This week they told me they're letting me go due to poor performance. I've worked here for 2 years and never had any negative feedback. Could they be sacking me just for being pregnant? Is this legal?**

However long you've been employed, being fired because of pregnancy is automatically classed as unfair dismissal. Although your employer said you were being sacked for poor performance, you're right to be suspicious. Ask for written reasons.

As you have been employed for two years, your employer can only dismiss you for specified fair reasons, such as gross misconduct or persistent poor performance. They must follow a fair process and show their evidence.

To challenge the dismissal, act quickly as time limits are short. First raise a grievance with your employer and contact the Advisory Conciliation and Arbitration Service. If necessary, you can take your case to an employment tribunal - gather as much evidence as possible, including correspondence and appraisal records. The new [Citizens Advice Discrimination Toolkit](#), found on their website, can help you with this.
