PARLIAMENTARY BOUNDARY REVIEW CONSULTATION

The second phase of the Governments consultation into proposed changes to MP constituencies has been opened. The current proposal would result in Kirkby Ireleth becoming part of what is now the Copeland constituency which would also see areas such as Windermere coming under this enlarged constituency. The Parish Council is replying to the consultation objecting on the basis that Kirkby Ireleth is more associated with the Furness Peninsular than it is with the west of the county and as a result must remain part of the Barrow and Furness constituency.

Further information, and to reply to the consultation, which is open until the 4th April 2022 can be found at:
<https://boundarycommissionforengland.independent.gov.uk/2023-review/>

POST OFFICE SERVICES

The new service continues at the Community Centre on Thursdays from 10.00 a.m. until 12 midday. Coffee and biscuits are being provided at this time by the Community Centre. It is hoped to extend this social activity to groups in the village who would like to advertise their activities. The Parish Council will be using this opportunity to hold surgeries. If the Thursday openings proves successful a further opening will be available on Mondays.
