NEWSLETTER MAY 2022

Volume 11 Number 4

DEVELOPMENT OF LAND ADJACENT TO BURLINGTON SCHOOL

Councillors have met with the site manager to discuss the progress of the development. They were assured that all measures were in place to protect the environment and had established a good neighbourly presence with the school. Due to the fine weather they were able to proceed quicker than at first thought having been able to put in footings of some twenty houses with ten more being marked out. Burlington stone will be used as a feature at the entrance to the site with a widened footpath to enable children to walk safely to school. Further visits to the site are to be arranged for Councillors.

QUEEN'S JUBILEE CELEBRATIONS

A number of meetings have been held between Councillors, committee members of the Community Centre and the public. The event will be in the form of an Afternoon Tea for all of the family with suitable entertainment. It will be free for parishioners but tickets will need to be obtained in order to attend. These will shortly be available from a number of outlets.

POST OFFICE SERVICES

The Community Centre on Thursdays from 10.00 a.m. until 12 midday, coffee and biscuits provided. The Parish Council will be holding a surgery on June 2nd. If you have any concerns that the Parish Council can help you with please come along and talk to the Councillors who will be in attendance.

CITIZENS' ADVICE

I am a single parent, with two young children. I am already struggling to stay on top of my household bills, my weekly food shop is getting much more expensive and now my energy bill is going up too. I don't know how I'm going to afford all these price rises. What can I do?

First of all, you are not alone in this and there's support to help you. It's always worth checking if there are benefits you don't know about that you're eligible for, including support with your energy costs and living costs. On the Citizens Advice website there's a benefits calculator, advice on [how to reduce living costs](#) and information on [other ways to increase your income](#).

There's also emergency support that you may have access to, such as food bank vouchers or fuel vouchers. You could contact your local council to see if they could also offer support.

If you're struggling to stay on top of bills, it's really important to understand what money you have coming in and going out each month. Citizens Advice has a budgeting tool on its website that can help with this.

And if you're already behind on bills, prioritise paying your rent or mortgage, plus energy bills and Council Tax first. Not paying these bills has the most serious consequences. You should speak to the person or company you owe money to, to see if they can help you repay your bills sustainably.

We know that times are incredibly tough but please remember, you don't have to face this alone. Contact South Lakes Citizens Advice on 015394 46464 to help you find a way forward.

Free, confidential advice and help is available from South Lakes Citizens Advice on any aspect of debt, consumer problems, benefits, housing, employment or any other problems.
